The Lenten Cross

As we journeyed together through Lent, we placed items on the cross each week.

Can you remember what each of the items represented?

We had-

A lunch bag

An umbrella

A pillow

A repaired cloth

A jar of words

A music CD

A Christian Film Night(or agreed time).

It is great when members of our congregation put forward suggestions of things we may like to try – here is one ...

Is this something you would like see/take part in? Have a chat with one of the Elders if so and we will explore further.

Saturday April 25th - Men's Breakfast Club

The men's breakfast has been running 3 months now and I have found it very encouraging and uplifting for myself. It has been really good getting to know others and having insight on how to pray for them better.

Don't be put off by the bacon sandwich if you are a veggie, we also have fruit, cereal, croissants, and yogurts to choose from.

We have a regular group of about 6 of us but would love for other men to join us on this new adventure. We have a good breakfast with good coffee and have enjoyed listening to testimonials from others. So why not join us on the last Saturday of the month?

Many thanks Jason

Wednesday April 29th Bible Book Club

We will be studying the book of Joshua during April; here is an introduction from the Bible Society-

Joshua tells the story of the entry of God's chosen people into the promised land after they had wandered for 40 years in the wilderness. The book begins with the commissioning of Joshua as leader of God's people after the death of Moses and their subsequent entry into the land across the river Jordan. The middle chapters describe the battles between God's people and the inhabitants of the land, beginning with Jericho, and the subsequent dividing of the land between the 12 tribes. The book ends with a renewed covenant between God and his people and the death of Joshua.

This is a history book, but it falls into the category of what you might call theological history – history with a purpose. It is not telling the events solely so that you can know what happened but so that you can understand why they happened. Many of the historical books of the Bible are like this.

Please do join us to discuss this book at either 1.30 pm in church or 5 p.m. in the Hall. All Welcome

Pilots News

As most of you know we have an amazing Pilots group of 21 young people who meet together on a Friday evening to take part in various activities.

This term we have teamed up with the Under Dog charity, which is an Animal-assisted therapy project helping to encouraged kindness and empathy in children.

If you would like to find out more about this charity visit Underdog International

This is TILLY (whom most of you will recognise).

Tilly has been fully trained and is now working with us, along with Debs, providing a space for our youngsters to have a bit of quality time, contact and conversation.

This is what it says about Tilly on her *Doggy Blog* on the website:

I am a four-year-old Cavapoo, I am a social caring character who loves all humans and other dogs. I have lived in a busy household. I look forward to interacting with many different children in the volunteer youth group setting.

I am expecting to be read to, do some tricks, mum will teach basic doggy care, I will start at the beginning of the session being sat quietly, where the children can see to encourage the children how to sit and listen to instruction. I will be working with both primary school - to early secondary school ages.

Something to look forward to

TURN OVER FOR ALL THE DETAILS

Several of us went last year and had a fabulous time – there is so much to see and do that I think most of us will want to go back again and find the things we missed!

The Yorkshire Synod have prepared a fantastic programme of activities and events – with something for everyone. I for one will be making a beeline for the Fisherman’s Tale, I can guarantee you will be amazed and entertained. The Primary School Bangers and Praise in the Park will be great too – there is just so much to do and see

As I write, I will be pricing a coach for the day and let you know the cost involved – but for now, put the date in your diary, ask friends if they would like to join us (the more the merrier) More info. to follow soon

Margaret.

On the right path

Judging by the number of compliments, about the new path and paved area at the church, I have the feeling we are on the right path to making this an attractive space for many different activities.

Just in case you have not seen it yet here are a couple of before and after photos.

We have been generously supported by a grant of £1,500 from the Witherwick Wind Farm Community Fund and also by all who have donated to this project so far. We still have a little way to go before we reach the target of £4,550 so, if you have not yet contributed, and would like to do so, please either - make a BACS payment to:

Hornsea United Reformed Church Sort Code 53 50 57 Account No. 58666451 Ref. PATH

Or leave a cash/cheque contribution in an envelope marked PATH in the collection dish on a Sunday.

Many thanks – anticipating looking forward to sitting out in the sunshine with a cuppa and watching the world go by!

A Message from the Moderator-

Dear friends,

I send you my greetings as we immerse ourselves in the many and various services and activities of this Holy Week and Easter. As we journey together through this season - against a background of war - we are reminded that the risen Christ comes among us with words both simple and profound: "Peace be with you."

In a world often marked by uncertainty and division, the message of Easter speaks afresh into our lives. It is not a distant or fragile peace, but a living, active gift—rooted in hope, shaped by love, and sustained by the presence of the risen Lord. This peace meets us where we are: in our communities, our churches, and our daily lives.

As the Yorkshire Synod, we are called not only to receive this peace, but to share it—to be peacemakers in our neighbourhoods, to offer reconciliation where there is brokenness, to be an expression of the unity Christ wills for his church, and to embody Christ's compassion in all we do.

May this Easter renew our hearts and strengthen our witness, that together we may live out the good news of resurrection peace.

With every blessing this Easter,

Jamie
