

Hornsea URC Nativity Service  
20<sup>th</sup> December 2020

Hi all

Due to current COVID 19 restrictions, we are unable to deliver our Nativity service in the usual way. This has however, presented an exciting opportunity for our children and young people to get creative, and the results are amazing!

Those contributing to the Nativity were each given a small part of the story and asked to present this in any manner they deemed appropriate. We received back various scenes in the format of videos, pictures, lego sculptures, songs, amazing costumes and various recorded narrations which help to tell the story. These have all been stitched together in the link below.

Much of the material was created at home, or filmed on mobile phones, tablets etc by the young people and their families and sent to us electronically. All filming was done in line with current COVID rules.

If you can watch Youtube on your SMART TV why not use that to enjoy it on a big screen. If using a phone, tablet or laptop, we suggest using headphones to make the most of the audio.

**Please feel free to send and share this link with friends and family or on social media.** All those in the video have consented to this being available online.

So sit back, relax and enjoy our 2020 telling of the Nativity Story....
